ASCIANO (SI) about 20 km from Siena, sale of a rural complex of historical value to be restored (about 2000 square meters), consisting of a main core of rural buildings that has the characteristics of the old farm village to which two small huts are added , a stable and a barn that testify to the productive activity that took place until the end of the 80s. Very panoramic position and easy access. The building can be used as a residential, receptive tourism, agricultural and other related activities. The land is made up of approximately HA 63, of which about 45 hectares are arable, there is an olive grove and also a well maintained truffle. The land currently used as pasture for sheep. Private negotiation. (Energy class: not available, building not habitable). Rif CS70
